

Preschool

Pre-Kindergarten program
Monday through Friday
7.45 am – 2:00 pm

Mater Dei Academy Preschool is committed to:

- A warm, affirming environment
- Faith formation
- A creative environment that nurtures cognitive, social and language development in each child
- Developing skills each child needs to grow
- Open communication with parents about their child's development

State of Ohio Staff to Student ratio requirements:

Pre-Kindergarten 1: 18

Mater Dei Academy's maximum Pre-K class size

20
(Teacher and Teacher's Aide)

All teachers hold degrees in Early Childhood Education and our program is fully licensed by the State of Ohio

To be eligible for the preschool program, your child must be 4 or 5 years old by September 30th of that school year and potty trained.

Academic goals

It is our purpose to concentrate on the development of the whole child. All equipment, materials, games and toys used in the classroom have been carefully chosen so that they are developmentally appropriate for preschool children. Students learn continuously throughout the day through involvement with materials and social interactions with others in a positive environment.

All preschool classes engage in Language Arts, Math, Science, Social Studies and quiet play activities. Library time is once per week.

Pre-K students also have Music, Computer and Physical Education each week.

Each preschool classroom uses smartboard technology and has iPads available for centers.

Registration Requirements

- Birth certificate
- Immunization records
- Physical examination due by September 1st of the school year
- Education/ registration fee
- Custody papers, if applicable

State of Ohio Medical Requirements

4 DPT Hepatitis B series
